## SEMESTER CELEBRATION

Get out your glad rags kids! February 17th--o! happy day--will be a red letter day on the school calendar. The Junior high-school students (seventh and eighth graders) are going to give an End-of-the-Semester Dance for the whole High School.

To add to the attraction of the occasion, it is going to be at the new Legion Home. It's still being parley-vouzied by the brass-hat-and-host section, but it MAY be formal.

Judging from the amazing energy the seventh and eighth graders seem to have, it should be the Eighth Wonder of the world. Here's hoping kids!

## FLASH

The following teams will play in the semi-finals today.

Holy Rollers vs. Gabas Alleys: 5 - 6  
Alley Cats vs. Gutter. Rats 7 - 8

## home sweet home

The Library is requesting that all students search their home: the hidden treasure to be found is a number of library books which have become among the missing over a period of 20 years. No questions will be asked or fines charged for books returned. Our only concern at this time is to retrieve a number of the books which must still be in the colony. While they are missing from the shelves, they add nothing to our school.

Also, many students do not seem to realize that borrowing a library book involves any responsibility on their part at all. It certainly does and the last one is to return the book on time -- or renew it for another two weeks! Fines (Con'd next page)

You've wondered, you've tried to guess, you've racked your over-taxed brain, but alas you haven't been able to figure out where the "PLACE" for the Canteen "Come-As-You-Are" Dance is. The question, "where can it be?" has greatly disturbed a number of Lago HI students (especially Gelb) throughout the past week, and we think it only fair to aid you in your dilemma. If you will carefully check this page of this issue I'm sure that you'll find the answer to your problem.

The dance is scheduled for Saturday, February 3, 1951 and the hours are from 7:30 to 11:00. Free drinks will be provided by the Canteen and hot-dogs will be on sale for one thin quarter (25¢). If you want to have a really enjoyable evening just "come as you are" to the Canteen Dance. P. Richey

### THE PLACE

The Upper Tennis Court

See you there!

## sport shorts

There will be a basketball game tonight at 8 o'clock at the home court between the Caribe A's and Lago High.

Last Friday night half the school went to Caribe to watch Lago's best game of the season. At the end of the half the Spartans had a one point lead on us, but at the end of the game it was a 33-33 draw. In the overtime minutes, Baggaley and Mello each made a basket to win the game, Lago 37; Sparta-33.

The Athletic Club has been postponed this week because of exams. The next meeting will be Feb. 12 or 13; it will be announced later.

The cheerleaders at last Friday's game should be given a big hand. It was the best cheer-leading since basketball became one of Lago's competitive sports.

## JUSTICE IS NEEDED!

This short column is not meant to tear down or build up. It is purely information.

It seems to be that teachers think all students have to do is homework. And each teacher considers her subject the most important, the others being insignificant even though they may number 3 or 4. Students DO have important extra-curricular activities such as basket ball, sailing, riding, and sometimes we even sleep.

It makes my blood boil every time a teacher starts out with her homework assignment. They choose one of two paths: 1. "Do problems 1-56. There are quite a few problems (only about 100) but they are simple." 2. Then there is the other one: "Do problems 1, 2 and 3 on page 293." Only a few, they say, but each one takes about 45 minutes.

Just remember, please, we do have other subjects with homework and also we do live outside of school!

## future films

Through secret sources in Hollywood, we have obtained the latest dope on movies; and these are four of those recommended.

King Solomon's Mines-This movie is about some explorers taking a trip into unknown Africa, hunting for King Solomon's lost mines.

From The Halls of Montezuma-This movie is about the Marine Corps taking a Jap held island during World War II.

Fim-This one was taken from Rudyard Kipling's book, "Kim". It was filmed in India. Dean Stockwell and Errol Flynn.

Mister 880-This is a movie about an old man who counterfeits small amounts of money each month. After a long search the F.B.I. finally catches up with him.

How all we have to do is wait for these to come to Aruba!

are very reasonable, and therefore, if a student is negligent in returning a book, he should be perfectly willing to accept the punishment in the form of a fine.

This money, incidentally, is used for book repairs.

Before the second semester starts, wipe your slate clean, return all books in your possession, and pay the fines you owe.

## think of the consequences!

What would happen if you--- stole your dad's car some night (how about that, boys?)

Set the school on fire (Ruh, now that is a good idea.)

Walked in the office without asking permission.

Cut classes every once in a while? (What is this?)

Were caught cheating on an exam? (Oh, Lord)

Didn't buy an annual (shot at dawn). Got in the way of a Senior (heh, cut it out)

Were made manager of the refinery. (Help, an explosion.)

Took Miss Gallieani's gum out of her purse. (Aye, caramba!)
